SUPERANNUATION CONTRIBUTIONS

As the 30 June 2010 deadline for your Fund to receive a contribution is just around the corner, you should be planning your cash flow requirements now.

We remind you that tax deductible contribution caps were cut in half from 1 July, 2009 and are now as follows:

Under 50 years: \$25,000
50 years and over: \$50,000

If you turn 50 during the year, the additional \$25,000 can only be paid after your birthday.

Please contact Paul or Geoff if you would like your current position assessed with regards to your superannuation contribution planning for this year.

MacMillan Cowan & Co are specialists in superannuation and provide advice to in excess of 100 self managed funds. We welcome referrals from you of friends or associates should they require assistance in this field.
